## 2022 Pie Master Guidelines

We value each of our Pie Masters and are grateful for the generous donation of your time, talent, and resources to make this campaign possible. Each pie sold will underwrite a week of hot meals for a local, homebound senior in Palm Beach County.

This is a representation of your culinary skills, so we appreciate that you adhere to these guidelines.

- Advise us of any specific procedures or protocols which are required for box drop off and/or pie pick-ups by Nov. 4
- Pie Masters must be a restaurant, hotel, country club or caterer located in PB County.
- Pie Masters will be randomly assigned one of four pie flavors: apple, pecan, pumpkin and key lime.
- Pies must be 9" pies to fit inside of a supplied pie box with dimensions: 10x10x2.5.
- Whipped topping on key lime pies only.
- Pies must be baked and cooled prior to boxing.
- Boxed pies will then be placed in larger master boxes. 8 pies per master box.
- Pies are to be ready and available on assigned pick up day and time.
- No plastic wrapping on pies.
- All pie pick-ups will be Monday, Nov. 21 between 9am-1 pm: If your organization is closed Mondays, please designate a representative to be on-site on this date.
